- Pricing is based on the number of assets that are being tracked.
- Software updates and support are included with each plan.
- The implementation project will start at a mutually agreeable time between Wipfli and Licensee and is further described in the Statement of Work provided in the link below.
- Wipfli has the right to change its pricing for the use of the application at the end of any subscription period.

The use of licenses under this Product Order is subject to the Wipfli Software License and Hardware Purchase Agreement (“License Agreement”), located at wipfli.com/LicenseAgreement, as amended from time to time, which is incorporated herein by this reference. The Statement of Work for the product order is incorporated herein at wipfli.com/AssetEdgeProductOrderSOW.

By signing this Product Order, you represent that you have reviewed the License Agreement and the Statement of Work and expressly agree to their incorporation into this Product Order.

This Product Order is subject to sales tax if applicable in your state.

The individual signing below on behalf of Licensee represents and warrants that he or she has all power and authority to bind Licensee
